## STATE HEALTH INSURANCE ASSISTANCE PROGRAM AND SENIOR MEDICARE PATROL

Kanawha Valley Senior Services has trained SHIP and SMP Counselors on staff to help with Medicare enrollment, Medicare Savings Programs, Extra Help, fraud, drug & advantage plan comparisons and general questions about Medicare. Call and ask for a Social Service Representative in your area!

### Medicare Notes— Medigaps

Medigaps are health insurance policies that offer standardized benefits to work only with Original Medicare (not with Medicare Advantage). They are sold by private insurance companies. If you have a Medigap, it pays part or all of certain remaining costs after Original Medicare pays first. It depends upon your Medigap plan type. Medigaps are designed to cover outstanding deductibles, coinsurance, and copayments. People often refer to these charges as the “gaps” in Original Medicare’s coverage, hence the term “Medigap.” Some Medigaps may also cover health care costs that Medicare does not cover at all, like emergency care received when traveling abroad.

**Remember:** Medigaps only work with Original Medicare. If you have a Medicare Advantage Plan, you cannot buy a Medigap.

Kanawha Valley Senior Services provides congregate meals throughout Kanawha County and for those that are homebound, a home delivered meal. Although there is not a charge for meals we do appreciate and need donations as the reimbursements do not cover the cost of the meals.
